### REPORT OF COMMITTEES.

**STATE MISSIONS.**—The great work of the churches is to evangelize the world. All missions are one; we divide the work for the sake of convenience; but the work is the same, whether done in this or some other country. Whenever you go to a man or woman, boy or girl with the message of life and salvation you are a missionary. State missions is the beginning at home. It is taking care of the root of the tree, which, if neglected, will cause the whole tree to wither and die. The policy of the State Board has recently undergone some changes. We are returning to the old plan of sending out evangelists. Last year we had two, and a few Colporters at work in the State, besides a number of missionary pastors in the State. This year we have six evangelists and more colporters than last year, and are still helping to sustain the cause at a few weak points. The State Board of Missions collects funds for Home and Foreign Missions; for Bible and Colportage; for Indigent Ministres and for our Orphanage at Evergreen. The State Board is now in debt and needs our special efforts for assistance. Respectfully submitted,

B. T. JONES, Chairman.

**HOME MISSIONS.**—Our Home Mission Board is located in Atlanta, Ga. Dr. I. T. Tichenor is our Corresponding Secretary. There are, at present, about 380 missionaries in the employ of the Home Board. These faithful servants of Christ are at work throughout the Southern States, the Indian Territory and Cuba. Their average salary is about \$300. Thus you see that at least \$115,000 is needed every year to enable us to maintain the work already in hand. We ought to increase our contributions so as to advance and occupy new and important fields that need the gospel. To raise this amount Alabama alone ought to contribute at least \$10,000 and this Association ought to raise at least \$140. Brethren we can easily raise this amount for each of our Boards, and we ought not to think of raising a less amount. We owe the gospel to those in our own land, and to those in foreign lands also, but especially do we owe it to those whose lands we now occupy—the Aborigines. As we conquered them at the point of the sword let us now subdue them to Christ.

Respectfully submitted,

W. W. MORRIS, Ch'm'n.

**FOREIGN MISSIONS.**—The last words of our risen and ascended Lord to his disciples were these: "All authority is given unto me in heaven and on earth. Go you therefore and make disciples of all nations, baptising them into the name of the Father and of the Son and of the Holy Ghost; teaching them to observe all things whatsoever. I commanded you; and lo, I am with you all the days even unto the end of the world." In these words we have our authority, our instructions and our encouragement for missionary endeavor. Our authority, in that He into whose hands all authority has been given,

has commanded us. Our instructions, in that we are to disciple all nations, baptising them into the name of the trinity and teaching them to observe all the commandments of Christ. Our encouragement, in that the risen and enthroned Christ is ever with us to the end. In order that this last great command of our Savior may be effectually carried out, our southern churches, co-operating in the work of spreading the gospel, have formed the Foreign Mission Board, located at Richmond, Va., that through this agency they may more wisely concentrate efforts for the advancement of the kingdom of Christ.

As to the number of missionaries employed and work done on foreign fields by the Baptists of Alabama, your committee respectfully suggest that each church composing this Association procure one or more copies of the minutes of the State Convention and that each member read said minutes and get a personal information respecting the foreign missionary work. As we consider the reports of our officials and missionaries, published from time to time in our minutes and denominational papers we have great reason for encouragement in the work, both by our "prayers and alms."

The doors of all nations are open to the entrance of the gospel, and many men like Paul and Barnabas are willing to hazard their lives for the gospel's sake. We long to see this same spirit take greater hold upon the hearts of all our people, that each one who cannot go will be impelled to do something that will help others go.

To this end we suggest and recommend:

1st, That our pastors preach more frequently on the subject of foreign missions, showing the people their duty and stirring up their zeal with missionary information.

2d, That regular collections be taken in all our churches at regular periods for the support of this work.

3d, That missionary societies be formed in all the churches, whose aim shall be to gather and dispense missionary information and cultivate the missionary spirit in the members.

4th, That all our churches supply themselves with a sufficient number of copies of Foreign Mission Journal, published at Richmond, Va., and with tracts and leaflets, published at Baptist Mission Rooms, Baltimore, Md., as will give the needed information respecting the great work of foreign missions.

Respectfully submitted,

J. W. DICKINSON, Ch'm'n.

SUNDAY SCHOOLS—We all recognize the Sabbath of Divine appointment—a day of rest—"a Sabbath unto the Lord, thy God" given to man to rest from his labor of six days. "Remember the Sabbath day to keep it holy." We should meet to study His will and sing His praises on this precious day—Sunday—the Christian Sabbath. God's people have, in all ages, observed the Lord's day by meeting and worshiping Him. We readily see that the word of God was taught on the Sabbath day—hence we use the word school—a place of instruction, moral and spiritual, teaching and training, (not saving) pupils about the will of God. It is a sad condition when Christians will not thus honor God. It is encouraging to see people coming together in nearly every church, teaching and being taught the precious word of God concerning Jesus and His love. Your committee can remember when there were but few churches that had Sunday school. We would recommend more thoroughness in teaching the lessons, more

faithfulness in doctrines. Pupils should be more like the noble Bereans and "search the scriptures daily." A brother said: "We do not teach doctrine in our school." I ask, why not? Is it wrong to teach the fundamental truths of God's word? The total depravity of mankind; "repentance toward God and faith toward Jesus Christ," salvation by grace, and the immersion of the believer—symbolical of the burial and glorious resurrection of our Saviour? Let us be faithful stewards of Christ. Respectfully submitted,

J. F. POUNCEY, Ch'm'n.

**COLPORTER'S REPORT.**—Dear Brethren: Since the last Association I have been much afflicted, so that I have not done the work that I desired to do. I have done the best I could. I have traveled 1450 miles, preached 58 sermons, held 140 devotional services, delivered 140 admonitions and exhortations—visited 43 sick persons, made 300 family visits, traveled 158 days, sold 40 Bibles, 132 Testaments, 26 other books and donated 9 books. I have received kind words from all and kind deeds from a few. I have received to date \$80.31.

Thankful for past favors, I am respectfully, C. S. PELHAM.

**ORPHANS' HOME.**—Its name is Louise Short Baptist Widows and Orphans' Home of Alabama. The first step taken toward establishing it was in November, 1890, when the State Baptist Convention was in session in Mobile. Mrs. M. L. B. Woodson made known to the convention, through Rev. F. C. Plaster, that she would give her real estate to the denomination for the maintenance of a Baptist Widows' and Orphans' Home in Alabama. The home, however, was not actually started till March 10th, 1893, when in a small rented house we received three poor children. It had now been only temporarily located in Evergreen. By November our family numbered 22, and the trustees, after advertising for bids for a location, selected property in Evergreen and located the home permanently.

The property has been paid for and there is no incumbrance on it.

There have been received into it in all 70 children, 37 girls and 33 boys, 32 of whom have gone out; so that at present we have 38. Of those that have gone out, two have been apprenticed, seven have returned to their people and 23 have been adopted. They have been received from the following counties: Barbour 3, Lee 3, Covington 8, Talladega 6, Limestone 1, Walker 6, Escambia 7, Conecuh 2, Monroe 4, Tuscaloosa 3, Jefferson 8, Montgomery 2, Marengo 4, Russell 1, Pike 4, Bibb 2, Chambers 1, Butler 3, Tallapoosa 2.

The children have enjoyed good health this year. There has never been a death in the home. They are under firm, loving control. They seem to be contented and happy. They are taught to do various kinds of work—all who are old enough to attend the agricultural school. The Home is receiving some important and much needed improvements at present; hands are greatly needed to do this work.

Only a few churches and Sunday Schools contribute to us regularly, and there are more than 1200 churches in the State that have never given a cent to it. The work commends itself to the Lord's people. Brethren, help.

JNO. W. STEWART, Financial Sec.

**DECEASED MINISTERS AND DEACONS.**—Your committee take pleasure in announcing that the Lord has spared the lives of all our ministers and deacons, through the past year, for which we sincerely thank God.

R. HERRING, Ch'm'n.

DOCUMENTS.—We find that 21 churches are represented by 53 messengers; that we have received one new church—Rocky Mount—by petitionary letter. Upon examination we find nothing of extraordinary interest. No invitations for next session appears.

R. C. DEAL, Chairman.

NOMINATIONS.—We your committee nominate Prof. J. R. Hankins to preach the Introductory sermon for next annual session, with Bro. R. Deal, Alternate. We nominate as Executive Committee brethren W. W. Morris, R. L. Jones, J. F. Pouncey, W. F. Clements, and D. B. Windham. We nominate as our delegates to the Southern Baptist Convention, Rev. S. L. Loudermilk, and W. H. Simmons. We nominate as delegates to the Baptist State Convention at East Lake, B. T. Jones, W. W. Morris, W. W. Faulkner, J. M. York, S. L. Loudermilk, J. O. Pinckard, R. L. Jones, P. M. Callaway, Jr., Dr. W. R. Belcher and M. L. Metcalf. Respectfully, P. M. CALLAWAY, Jr., Ch'm'n.

EXECUTIVE COMMITTEE.—In following the instructions of the last meeting of this body, we have apportioned among the churches the amount pledged to Bro. C. S. Pelham.

We find from his report that he has received \$80.31.

Respectfully submitted,

W. W. MORRIS, Ch'm'n.

FINANCE COMMITTEE.—We report in cash and vouchers the following amounts for the following purposes:

## CONSTITUTION

ARTICLE I. This Union shall be known and distinguished by the style and title of the Newton Baptist Association.

ART. II. This Association shall be composed of representatives from the Churches in Union, in the following ratio: All churches composed of one hundred members and under, shall be allowed two messengers. Those having over one hundred and not more than one hundred and fifty members, three messengers. Those having over one hundred and fifty and not more than two hundred members, four messengers, and so on in gradation—one messenger for every fifty members—who shall be required to furnish satisfactory evidence of their appointment by their Churches before they take their seats.

ART. III. The messengers, when convened, shall organize themselves into a deliberative body by the election of a Moderator and Clerk. These officers shall be chosen by ballot at each annual meeting and continue in office until new ones are elected.

ART. IV. The Association shall not interfere with the rights of the churches of which she is composed. She shall regard them as independent bodies in all matters of internal government, and shall only act as advisory council, assuming no authority except what is expressly delegated to her by the churches, or evidently implied by the very nature of this compact. She nevertheless claims authority over her own members, the messenger of the churches, and in justice and propriety must have power to withdraw from and disown all churches that depart from the principles of this compact, by becoming hetero-

dox in faith, or disorderly in practice. She should therefore regard all the churches united under this constitution, with a vigilant eye for good. Her principal business shall be to promote the glory of God by extending His kingdom of grace on earth, through the medium of preaching the gospel, and other means in accordance with that gospel. To cultivate union and fellowship with all churches of Christ, and especially with those united in this Association.

ART. V. Newly constituted churches, or churches dismissed from other Associations of the same faith and order, may be admitted into this Union on their sending up their messengers to an annual meeting with petition, and these messengers agreeing to the abstract of principles herewith published.

ART. VI. The churches of this Union shall transmit to every annual session of the Association written communications, specifying the names of the messengers; number in fellowship, baptized, received by letter, dismissed, excluded, restored and dead since the last session; and all other information which the churches may deem of importance, which shall be read and minuted accordingly.

ART. VII. This Association shall have a fund supplied by the voluntary contributions of the churches, and all monies thus contributed shall be transmitted from the churches and paid over through the Committee on Finance to the Treasurer, who shall be elected by ballot, and hold his office during the pleasure of the Association. He shall receive and manage the funds according to the order of the Association, present annually for insertion in the minutes a clear and full statement of all receipts and expenditures.

ART. VIII. This Association shall furnish the churches with the Minutes of every session.

ART. IX.—This Association shall not take cognizance of any query sent up from the churches, unless they have endeavored to solve the same and failed; nor of any difficulties between churches, unless they have pursued the directions in the 18th chapter of Matthew, and have not been able to settle them, then the Association shall take such matters into consideration, and act upon them at her discretion.

ART. X. It shall be the duty of the Clerk of this Association to keep a regular file of printed minutes of every session of this body, and deliver over the same to his successor in office.

ART. XI. This Association, when convened, shall be governed by proper rules of decorum, which she is authorized to form and amend according to her own views.

ART. XII. This Constitution may be altered or amended at a regular meeting of the body by a concurring voice of two-thirds of the members present; provided such alteration or amendment be approved by a majority of the churches.
